## **Schedule & Processing**

We usually book +4 days in advance so please contact us at your very earliest so we can block-out appointment dates and times. Ideally we like to photograph mid-day if possible. Average scan time is 1-3 hours and 24 hours to upload and process the virtual tours.

## **Payment**

We accept all major credits cards via PayPal, Venmo, Cash app, Apple Pay, company checks & cash, etc.

## **Technology**

Please familiarize yourself with Matterport tours and know what to expect. The technology behind the 3D Matterport Camera is state-of-the-art but as with any new technology there are pro's and cons for you to be aware of.

\*\* We monitor virtual tour analytics periodically. If virtual tour shows a drop in activity (hits) within last 30 days we'll research the MLS and if the virtual tour is no longer active on MLS or canceled, we will remove from servers without notice to client. If you wish to continual use of the virtual tours for marketing purposes there will be a small charge associated for the hosting "after" the property was removed from MLS. It is responsibility of client to contact us prior to virtual tour being deleted (usually within 30 of MLS inactivity).

**Rates and features subject to change without notice.**
